LED small Clear E14 4,5W

LED4713490

with VAT **59 kr**

LED small clear E14 4,5 Watt, 470 lumen, is a clear-covered filament lamps and can replace old incandescent bulbs and halogen lamps. The lamp is dimmable by means of LED dimmers. Thin LED strips are used to generate the light. Filament lamps are ideal for chandeliers. The colour temperature is a pleasant warm white (2700 K). The eco-friendly cardboard package is colour-coded. The colour indicates the corresponding incandescent bulb.
