Pella table Travertine

B332329

with VAT **2 499 kr**

With its round shape and raw surface, Pella Traverin table lamp gives a soft and rustic impression. Travertine is a porous stone with natural variations in its appearance, so each lamp is unique. Combine it with a lamp shade of your choice and you have a beautiful, timeless table lamp that can blend in with many different interior styles. The lamp is fitted with an elegant beige textile cord with a switch.
