Prisma pendant 45 linen Natural

T314500

with VAT **2 899 kr**

Prisma 45 Linen Natural warms any room, thanks to its soft shape and natural-toned linen fabric. When illuminated, the light shines beautifully through the fabric and the steel frame emerges, reinforcing its organic form. But this is a ceiling lamp that does not block out daylight, instead becoming a beautiful interior detail that catches the eye. Buy together with a ceiling suspension seta and LED light source. Choose between a warm white or a cooler bright white light source.
